STUD FEES-- Monte Carlo £550 no foal free return .
 Co-Pilot £500 no foal free return .

The mare must be certified barren by October 1st and the mare will be covered or semen will be sent for the same mare the following year .

KEEP CHARGES **Stabled mare only** **£65 per week**
 Stabled mare & foal **£75 per week**
 Grass keep mare only **£45 per week**
 Grass Livery Mare and Foal **£55 per week**

Insemination charges for resident or walk in mares £10 per covering , no collection charge .

INSEMINATION if you live within a 30 mile radius of the stud I can come and inseminate your mare at home . This service has proved to be very convenient and cost effective for people , the mare will still need to be scanned by a vet to insure the correct insemination time .

CHILLED SEMEN- Chilled semen is available , payment is required in advance.

Semen extender and collection charge - £30 .

Disposable shipper - £25 .

Courier tues - fri - 9am delivery . - £24 £26 Saturday .

No deliveries can be made Sun or Mon , but you can come and collect on these days if necessary .

PAYMENT for chilled semen is required in advance , no semen will be sent until payment has been received in full .Due to the difficulty I have recently had obtaining payment for semen sent there will be no exceptions to this - sorry .

HEALTH - All mares must be swabbed and certified free from infectious diseases .

All mares must be blood tested free of EVA before coming to the stud .

Mares must be vaccinated for tetanus and flu .

Mares will be wormed on arrival at the stud .

SHOES - All mares must have their hind shoes removed .

All mares must arrive with their passport and a well fitting headcollar .

The stud reserves the right to call a veterinary surgeon on behalf of the owner if deemed necessary .Every pre-caution will be taken against accidents and disease but no liability can be accepted therefore .
