# TERMS

Freckleton Stud is a small stud and our aim is to make it as easy and stress free as possible .

STUD FEES .....Monte Carlo .....£550 NFFR  
Sir Caprimond.....£500 NFFR

KEEP CHARGES A strictly limited number of mares will be taken this year , early booking is advised if you wish for your mare to stay here at the stud . We also do walk in mares .

Mare only grass livery ..... £45 per week  
Mare & foal grass livery ..... £55 per week  
Stabled mare only.....£65 per week  
Stabled mare & foal .....£75 per week

Insemination charges with fresh semen for resident mares £10 per covering no collection charge .

CHILLED SEMEN is available , the same terms apply as natural covering but payment is in advance .No semen will be shipped until payment is made in full and a nomination form is filled in and received .

Orders MUST be placed BEFORE 10.00am for semen to be delivered the following day (Excluding Sunday and Monday deliveries) .

INSEMINATION if you live within a 30 mile radius of the stud I can come and inseminate your mare at home This service has proven to be very convenient and cost effective for people ,the mares will still need to be scanned by a vet to insure the correct insemination time .

## STUD FEE

The first £100 of each semen fee is regarded as a booking fee and is non-returnable.

Please note that if due to unforeseen circumstances your chosen stallion is not available at the time of ordering an alternative stallion will be offered .

No foal free return . The mare must be certified barren by October 1st and the said mare will be covered in the following year , livery charges etc still apply . If the stallion is not available the following year we reserve the right to transfer the covering to an alternative Freckleton Stud stallion of the same stud fee.

HEALTH All mares coming to the stud must be swabbed and certified free from infectious diseases . If a current CEM swab does not follow the mare a swab will be taken at the owners cost before covering can begin.

All mares must be blood tested free of EVA /EIA before coming to the stud .

Mares must be vaccinated for tetanus and flu .

SHOES .all mares must have their hind shoes removed .

Every precaution will be taken against accident and disease , but no liability can be accepted therefore .
